All players must tee off before 2:00 pm and play will be in your normal weekend group. Entry is $10 / participant. Sign up in the Pro Shop that day!

The Maumelle City Ordinance pertaining to fireworks will be strictly enforced. There will be no discharging of fireworks on the golf course!

***SALE***
Take advantage of our 4th of July Independence Sale! Men’s & Women’s Apparel, Shoes and Miscellaneous items will be priced to move. We need to make room for our late summer apparel and now is your chance to save.
**FROM YOUR GENERAL MANAGER**

I cannot believe that June is already over. This summer seems to be flying by although as I get older, the years seem to get much shorter anyway! June was a good month for the club, not a great month like May. We had a wedding reception that moved to August and not as many tournaments as we had anticipated, but the pool was busier than ever. The Father’s Day cookout was very well received and most Dads were seen on the golf course that afternoon enjoying their day!

The Fourth of July celebration promises to be a lot of fun. I look forward to seeing everyone out here watching the fireworks with us on the course. We have two large wedding receptions and the Maumelle Classic toward the end of the month! The greens are in wonderful shape and more importantly, we will have them in perfect condition in July and August! We are continuing with our successful membership drive and if you know of anyone who is considering joining please steer them our way and we’ll do the hard sell on them. A lot of clubs aren’t experiencing the growth that Maumelle CC is experiencing in this trying economic time and I think we have a lot to look forward to as the economy comes around!

As you’ve already noticed if you have eaten at the club, we have asked you to sign and put your membership number on a ticket before the meal. This will help all the new employees we have hired to get your orders and your information correct on your account. Thank you for your understanding of this matter!

Come out to the club for a meal, just a drink and some camaraderie. We are here waiting to see you. See you at the club!

**President’s Message**

Is it hot enough for you?? Only our greens are enjoying this heat!! We go from a rainy May to a hot June. Wonder what July and August will bring!

The pool is open and has been very active. It is good to see another part of our club being well utilized. I encourage you to help our lifeguards maintain a safe environment for all those that are in the pool area.

The Father’s Day Barbeque was a success but more importantly were the many families I saw on the golf course and around the clubhouse. Sunday was definitely a family affair at MCC.

If you haven’t tried some of our dinner specials, I encourage you to do so. Tony and his staff do an excellent job with the crab cakes, blackened salmon over linguine, just to name a couple. And, of course, it is hard to beat his fried chicken.

The last week in June saw several golf events that we were very proud to host - the Father/Son ASGA event and the Willie Odom tournament. In addition we had the Women’s Club Championship. While it may have been difficult for our members to play, your patience is appreciated.

We all have the tendency to take things for granted. Such it is with our golf course. We expect the grass to be cut, greens to be cared for, bunkers raked, debris picked up, etc. This takes money and manpower which we don’t really have now due to budget constraints. With this last week in June being so busy, Jason and crew has had to work around the golf events. They have worked earlier in the mornings than normal and picked up where they left off late in the afternoons into the evening. I know this as I saw the mowers out as late as 8PM. Jason, Andy thank you on behalf of MCC for the job you have done not only during that busy week in June but for the whole year.

GOLF COURSE UPDATE

For the first time in 13 years I am not dreading the heat of the summer! It is not time to relax, but at least I know our greens are going to make it through the season!

Our first aerification was a great success! The recovery time was even shorter than I had hoped. As I write this article the greens are almost completely recovered and it has only been ten days!

On July 6th and 7th we will be Aerifying the fairways. We will finish all we can on Monday, and then keep the back nine closed on Tuesday until we are finished. We have our second greens aerification scheduled for July 27th and 28th. We will perform the same procedures as last time but since it will be later in the year the recovery time will be even quicker.

I hope everyone is enjoying the golf course and the new greens, I know I am! Have a great round!

FROM THE PRO SHOP

June has come and gone, but the golf season continues. With the amount of play increasing, I feel I need to reinforce how important it is to check in with the Pro Shop. This allows us to not only know you are out here should an emergency arise but also allows us to inform you of several things such as: whether or not the first tee is on time, the current cart rules, or perhaps some special situations we have going on that day. Even if you are playing with the same group you do everyday or if you are not the main person on the tee time, we need you to check in.

I would like to thank everyone for being so patient with the outside events we have had during the month of June. This is not something I particularly like to schedule as it takes away from the membership. However, the club needs the revenue, so I can not express enough how thankful I am for your patience and understanding with this matter.

July 4th weekend is a very busy time around the Club and on the golf course! Make plans to participate in the 4th of July Flag Tournament. Players will be given a small flag with their names attached. Using full handicap, players will play until they reach the number of strokes equaling par, plus their handicap. The player who plants the flag farthest around the course will be the winner. Payout will be determined by the number of entries. Men’s & Women’s divisions will be competing for separate prizes. All players must tee off before 2:00 p.m. and play will be in your normal weekend group. Entry is $10 / participant. Sign up in the Pro Shop that day!

**MWGA NEWS**

The rain has finally stopped and the heat is on. Summer is finally here. June has been a really great month for the MWGA. We had 2 great tournaments and the weather was perfect for both of them. We had a wonderful turn out for our couples tournament and The Willie Odom.

I want to thank all of the members for all of their hard work and dedication in making these tournaments a success. I also would like to thank Wanda Jett for her hard work on the Willie Odom tournament. We count on these tournaments to make $2636 most of our monies for special projects. I am proud of the way all of you ladies pitch in and help out. If you are new to the club or have not joined our great association, it is not too late. There are still a lot of months left to play golf. If you have any questions please do not hesitate to contact me.

**MGA NEWS**

Golfing is heating up! The course is looking good and we're seeing an abundance of play.

Remember fill your divots with sand and fix your ball mark. Let's take care of our course so it will also look good tomorrow.

The month’s MGA had a great turnout—we had 73 golfers participating with some great prizes being won. Thanks to everyone for coming out and joining us. Look forward to seeing you at the July MGA.

We have some more golf course improvements coming in the next few weeks - be on the lookout. Congrats to JJ for his Hole -in–One as he displays his $200 check from your MGA.

Whose next? Make sure your MGA membership is up to date.

David Parks, President, MGA
